Facials Our licensed aestheticians will evaluate your skin and recommend one of our many customized treatments.

INDULGENCE FACIAL \$55

The perfect way to get some "me" time! A gentle exfoliation, followed by an anti-oxidant indulgent head, neck & shoulder massage brightens your skin AND your day!

TOTAL BALANCE SKIN ANALYSIS FACIAL \$75

It all starts here! An in-depth woods lamp screening and skin analysis is the first step to healthy skin. We customize each facial to meet your skin's needs. Facial includes head, neck and shoulder massage.

BLISS VITAMIN C INFUSION FACIAL \$85

Slow signs of aging with this antioxidant packed facial. Vitamin C alpha-lipoic acid & antioxidant mask helps to rebuild the collagen network and strengthen the integrity of the skin, resulting in the reduction of fine lines & wrinkles.

WELLNESS ECHO 02 FACIAL \$125

Nourish and revitalize every cell pore-by-pore with our exclusive ECHO 02 Treatment System. This revolutionary system uses pure medical-grade oxygen along with Vitamins A, C, E & 87 minerals, enzymes and amino acids to exfoliate, hydrate & oxygenate your skin. Perfect for most skin types including dehydrated skin.

DELUXE SIGNATURE FACIAL \$165

We start with a customized enzyme mask, then follow with pore cleansing, vitamin-enriched head, neck and shoulder massage. Next, a mini microdermabrasion will brighten, tone and smooth your skin. We finish with a collagen boosting mask and micro-current lifting treatment.

SIGNATURE FACIAL Deluxe Signature Facial without collagen boosting mask and micro-current treatment. \$120

ANTI-AGING TREATMENTS

Botox is a minimally invasive cosmetic procedure with no downtime. With only a few painless injections, Botox gives noticeable results that last up to 4 months.

Juvaderm is the #1 selling dermal filler in the US and the world. It smooths wrinkles and folds around your smile, giving you immediate results that last up to 1 year with minimal down-time.

Voluma instantly adds volume to the cheek area helping to contour and restore volume which lasts up to 2 years. It is a non-surgical treatment with minimal down-time, and can help you look up to 10 years younger!

Kybella is the first and only FDA approved injectable treatment that contours and improves the appearance of the double chin. Kybella destroys unwanted fat cells under your chin, restoring your jaw line contour permanently.
